Continuous Enrollment

After admission to a graduate program of study, students must complete at least 6 graduate credits over the next three semesters (e.g., Fall, Spring, Summer OR Spring, Summer, Fall, etc.) to remain “active” in their degree programs. Students working on a thesis or dissertation must complete at least 3 graduate credits per regular semester (excluding Summer) until and including the semester they intend to graduate. Students may apply for a leave of absence in order to remain “active” without enrolling in the required minimum number of credits.
